GABRIELLA & SYLVIO

Hi, I'm Gabriella and you have to tell me what you want me to do. I love wearing sexy clothes, or better yet, no clothes at all. I'm a cock lover, and sucking it is one of my favorite pastimes. Then I'll take that cock and stick it in my pussy or shove it in my ass. Whichever you prefer is fine by me. Just do me.

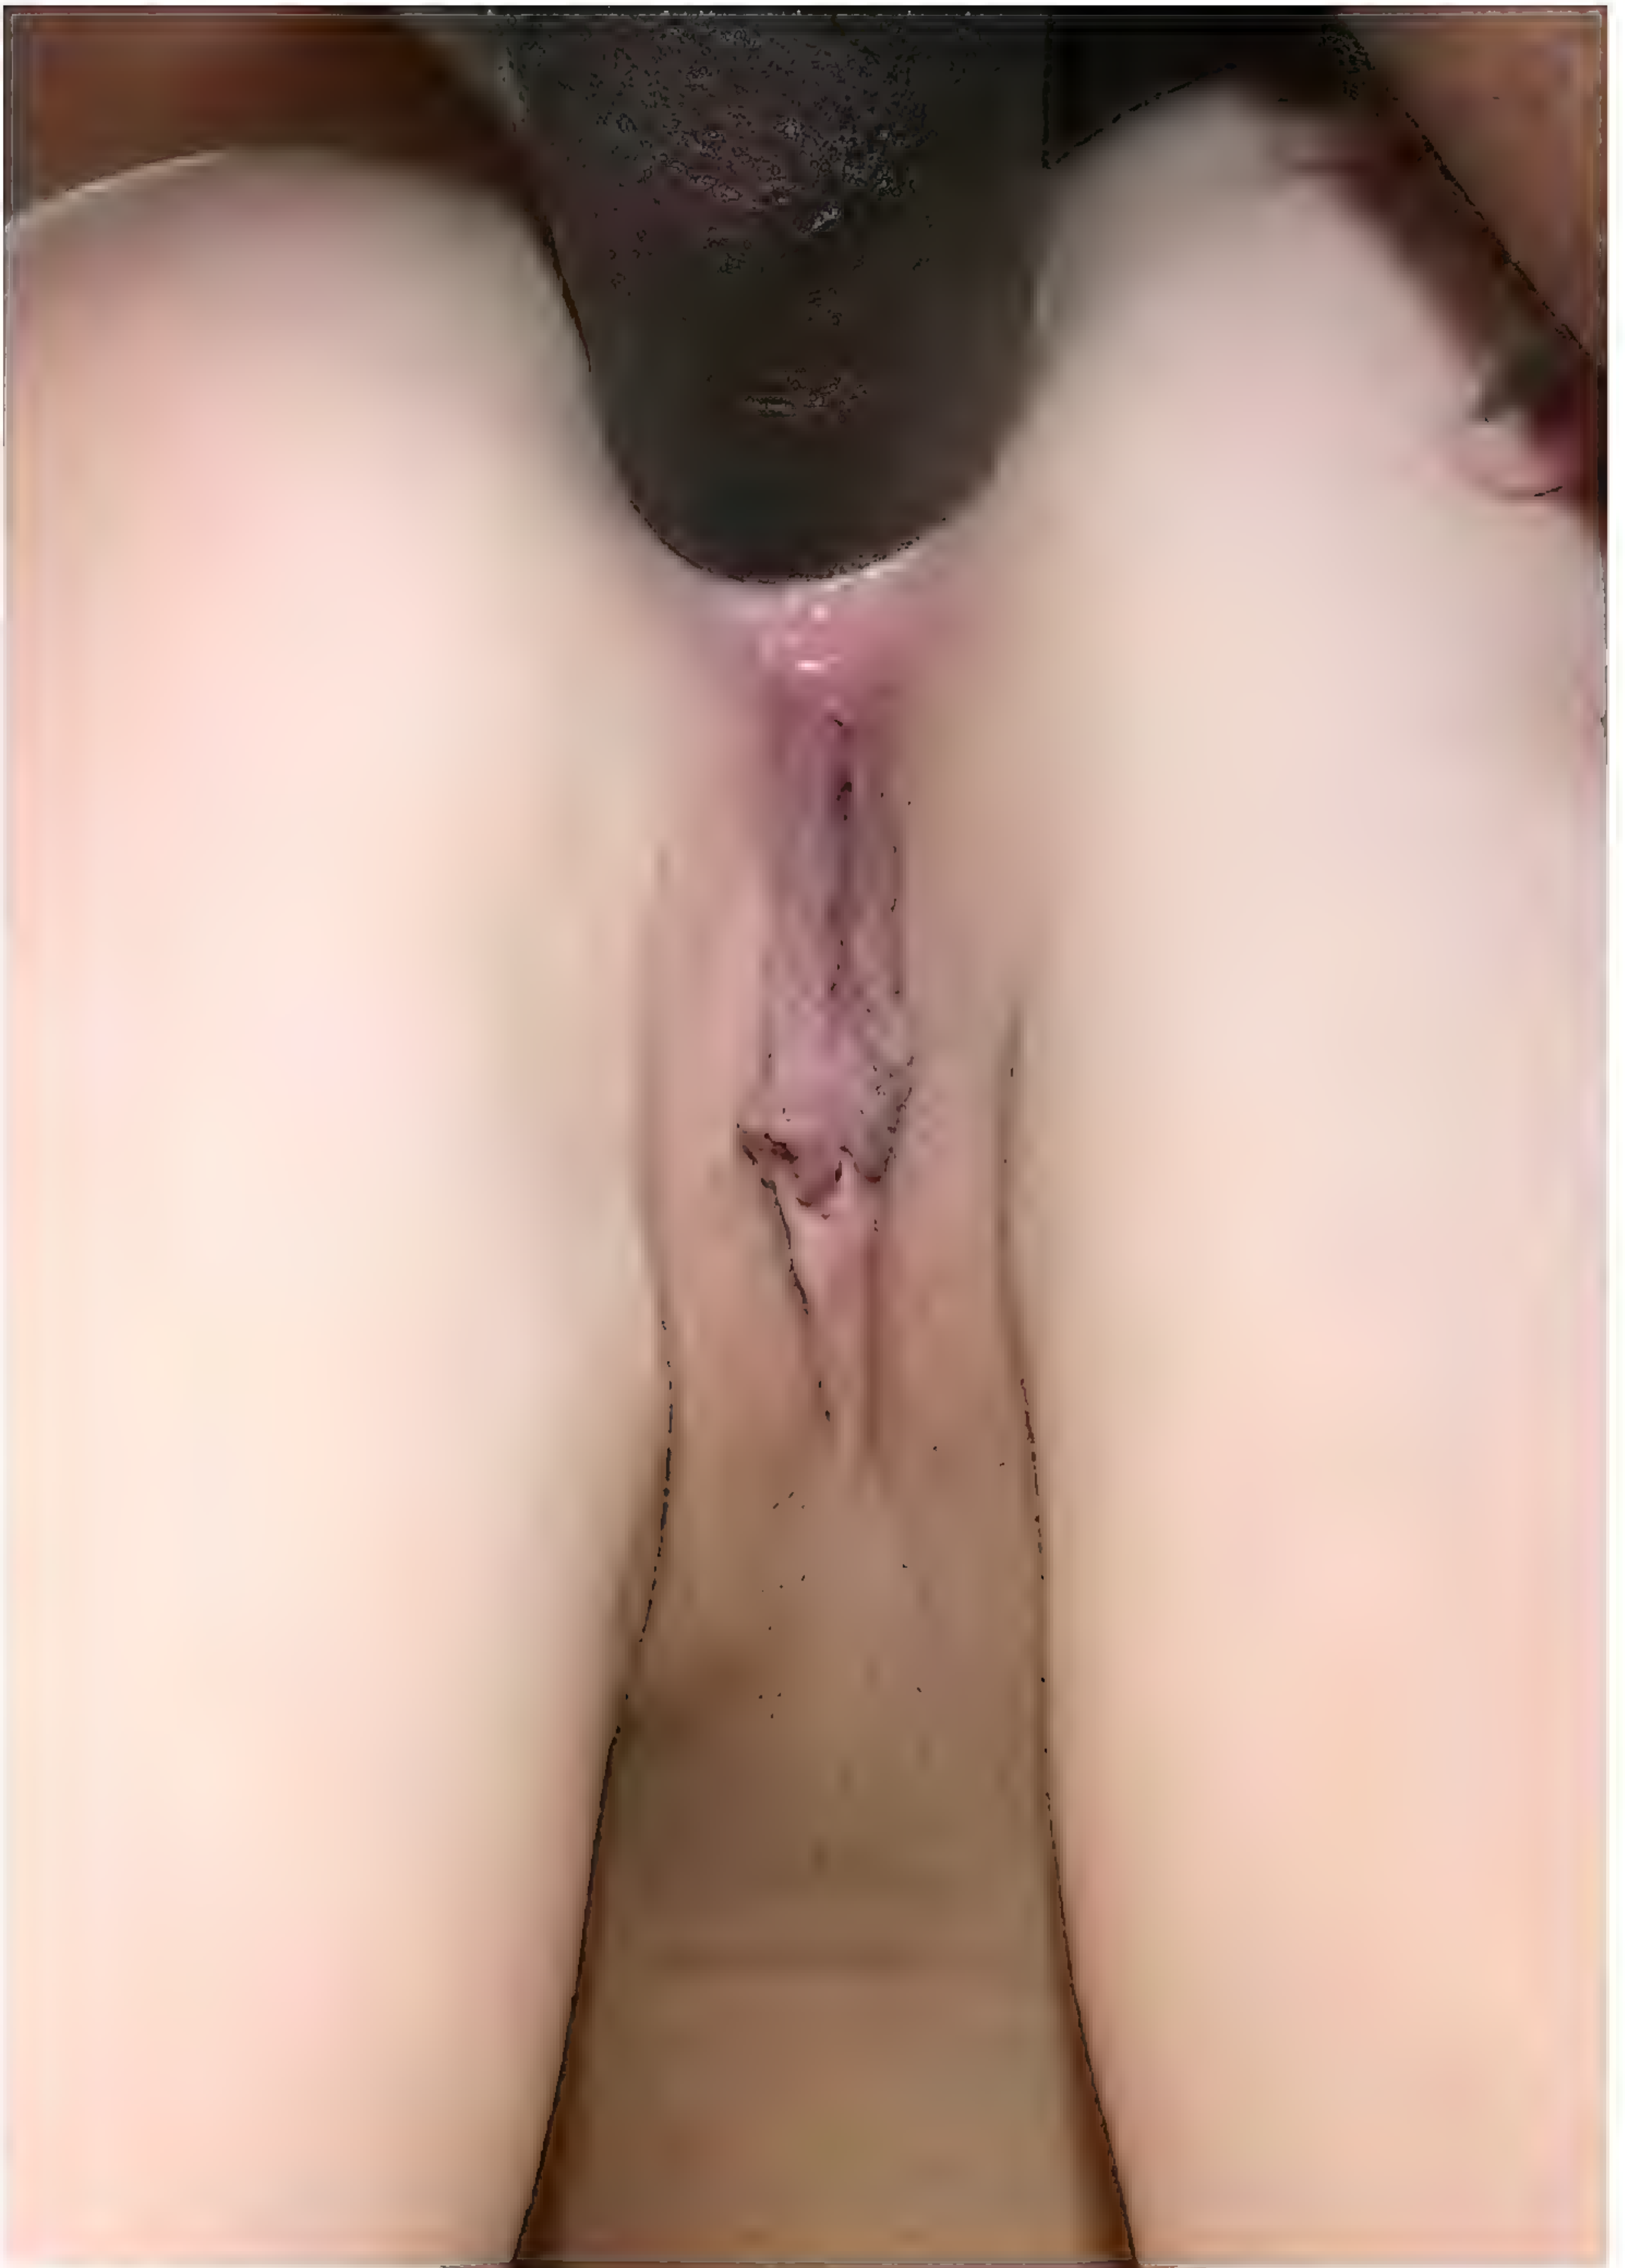

Sylvio is such a good fuck. He knows how to please me and I know what he wants. He wants to fuck my tight little ass hole and I want him to. He is not that long but quite wide and that really stretches me out. The feelings are wonderful. For both of us, I'm sure.

I waited until my fortieth birthday to have my first three-way. I invited a photographer and two of my best men friends for the occasion. Now you get to see my little birthday party and all the presents the guys left on my face. Check out the video too, and sing happy birthday to me.

You have to have patience when two guys are fucking you. It takes time and effort to move three people around a bed or sofa. But when it's done right, it's the best feeling in the world. Having your ass and pussy and mouth filled with cock.

I was quite happy with the two guys and they stayed long after the photographer left. I think I should have asked him to stay, too.

Found an Angel...

I can't believe Dasha is forty. I've been watching (and dreaming of her) fuck since the nineties. She is

one of the hottest, sexiest, nastiest, women I've seen on video, but have rarely seen her in print – lately. Thank you guys for bringing this fine angel, in one sexy pictorial layout, to us, her undeserving devotees.

– Monte L.

Hi guys,

I'm a forty-six year old man and I love California girls. When I saw your pictorial of Cali Foxx (40+ #33), I fell in love all over again for the forty-fourth time. She's hot. Got some nice meat on her bones. Great tits and a nice round ass. All of which is more than I deserve, but she was great to look at. I like the way we got to

see every part of her. She moved around and all I saw tempted me even more. I've had my share of Cali's women and I loved them all. And very well I might add. Their boobs are usually fake, but that's okay by me. I now as so used to it that it has become the norm. But your Ms. Foxx is quite the hottie. She's the kind I'd like to settle down with.

That is, after I've had another forty-four more girls from Cali.

Jessie, Long Beach

40+ Editors,

This past year my wife and I were vacationing in Savannah, Georgia. We're both in our mid-forties. We were out to dinner with some snow bird friends and after a couple bottles of a nice French merlot, we were all feeling a little tipsy and a little friendly. Tina and Gregg were old friends of ours in Newark and moved to Georgia a few years ago to escape the cold. We have visited them a couple times and have always had fun. But this time it was going to be a little different. We went back to their place to play cards as usual, but this time Gregg suggested we play poker instead of bridge. We said fine and

he broke out some more drinks with the cards. We played a couple more hands and my wife Sara won both of them. Then Tina suggests we play strip poker. Sara and I looked at each other and I said I was game if she was. Initially, she was a bit hesitant but after winning the last two hands, she felt confident she could win.

I knew Gregg had eyes for Sara, and I kinda had a hard-on for Tina over the years, so I was all for it. Now with little to hold us back, some of that old excitement was returning. Tina dealt the first hand and Sara won again. We all took off a small piece of clothing and had another round of drinks. Four more hands and we were all down to our civvies. I had a t-shirt and boxers, Sara was in her bra and panties, Gregg was just in boxers, and Tina was in a blue teddy.

Now it was my turn to deal. We were drinking and laughing as more bets were made. Gregg won and I dropped my shirt, Sara her top, and Tina stood up and started a little dance as she began to undo the laces on her teddy. All of a sudden Sara got up and started to help her. She reached down between Tina's legs and undid the snaps. Together, they pulled the teddy up and off Tina. Throwing it over to me, I caught it and twirled it around, egging the girls on. As Gregg and I looked on, they started kissing each other and Tina reached around and undid Sara's bra and then pulled down her panties, throwing them to Gregg. She then gently pushed Sara onto the table and grabbed her knees to spread them. She lowers her head into Sara's crotch and begins to lick her. Gregg and I watch as Tina licks and sticks her fingers inside my wife's wet pussy. Gregg looks back at me with a big thumbs up.

I get up first and position myself right behind Tina. I drop my drawers and slip my cock inside her as she continues to lick Sara. Gregg saunters over beside Sara and offers his hard dick to her mouth. She obliges and grabs his ass to pull him closer to her. Gregg and I grab a couple of the wine glasses from the table and toast each other. Tina then stands up and pulls me out. She seats herself next to Sara on the card table and motions me to continue fucking her as she opens her legs and gets into position to receive my cock. He takes advantage of the change and moves around to drop between Sara's legs and now he begins to lick her. I watch as he sucks my wife and he watches as I obligingly fuck his.

All of a sudden Gregg says he doesn't feel so good. We all ask if he's okay; he says yes and sits down. Sara tells him to get up and lay down on the table. He does and she proceeds to rub him back to hard-dom. Her mouth works hard on his cock and he's finally hard again. I'm still fucking Tina and she begins to moan that she's cumming. I pump harder and feel her wave of orgasm as she bucks and shakes the table. Gregg seems to have made a miraculous recovery and Sara brings him to climax taking his jizz in her mouth and then spitting it into a wine glass.

It seems that both of our friends have cum, so Sara and I are left to finish ourselves, but she says she's still real horny and wants to finish back at our hotel room. We quickly gather our stuff and drive the mile back to the room, jump into bed and fuck our heads off. In the morning we called our friends to see how they are. Tina says they are both fine and had a great time last night -- just like the eighties all over again. We agreed and said that we should do it

again next time we come to Georgia. They said the invitation is always open. I think we're going to plan another trip here next month.

Willie, Newark

To the editor,

At some point in your life, you probably have met someone like Monica. She was dark, mysterious and always an arms-length away. She was the one that kept to herself. The girl that never looked at you, but through you. She dressed in black clothes

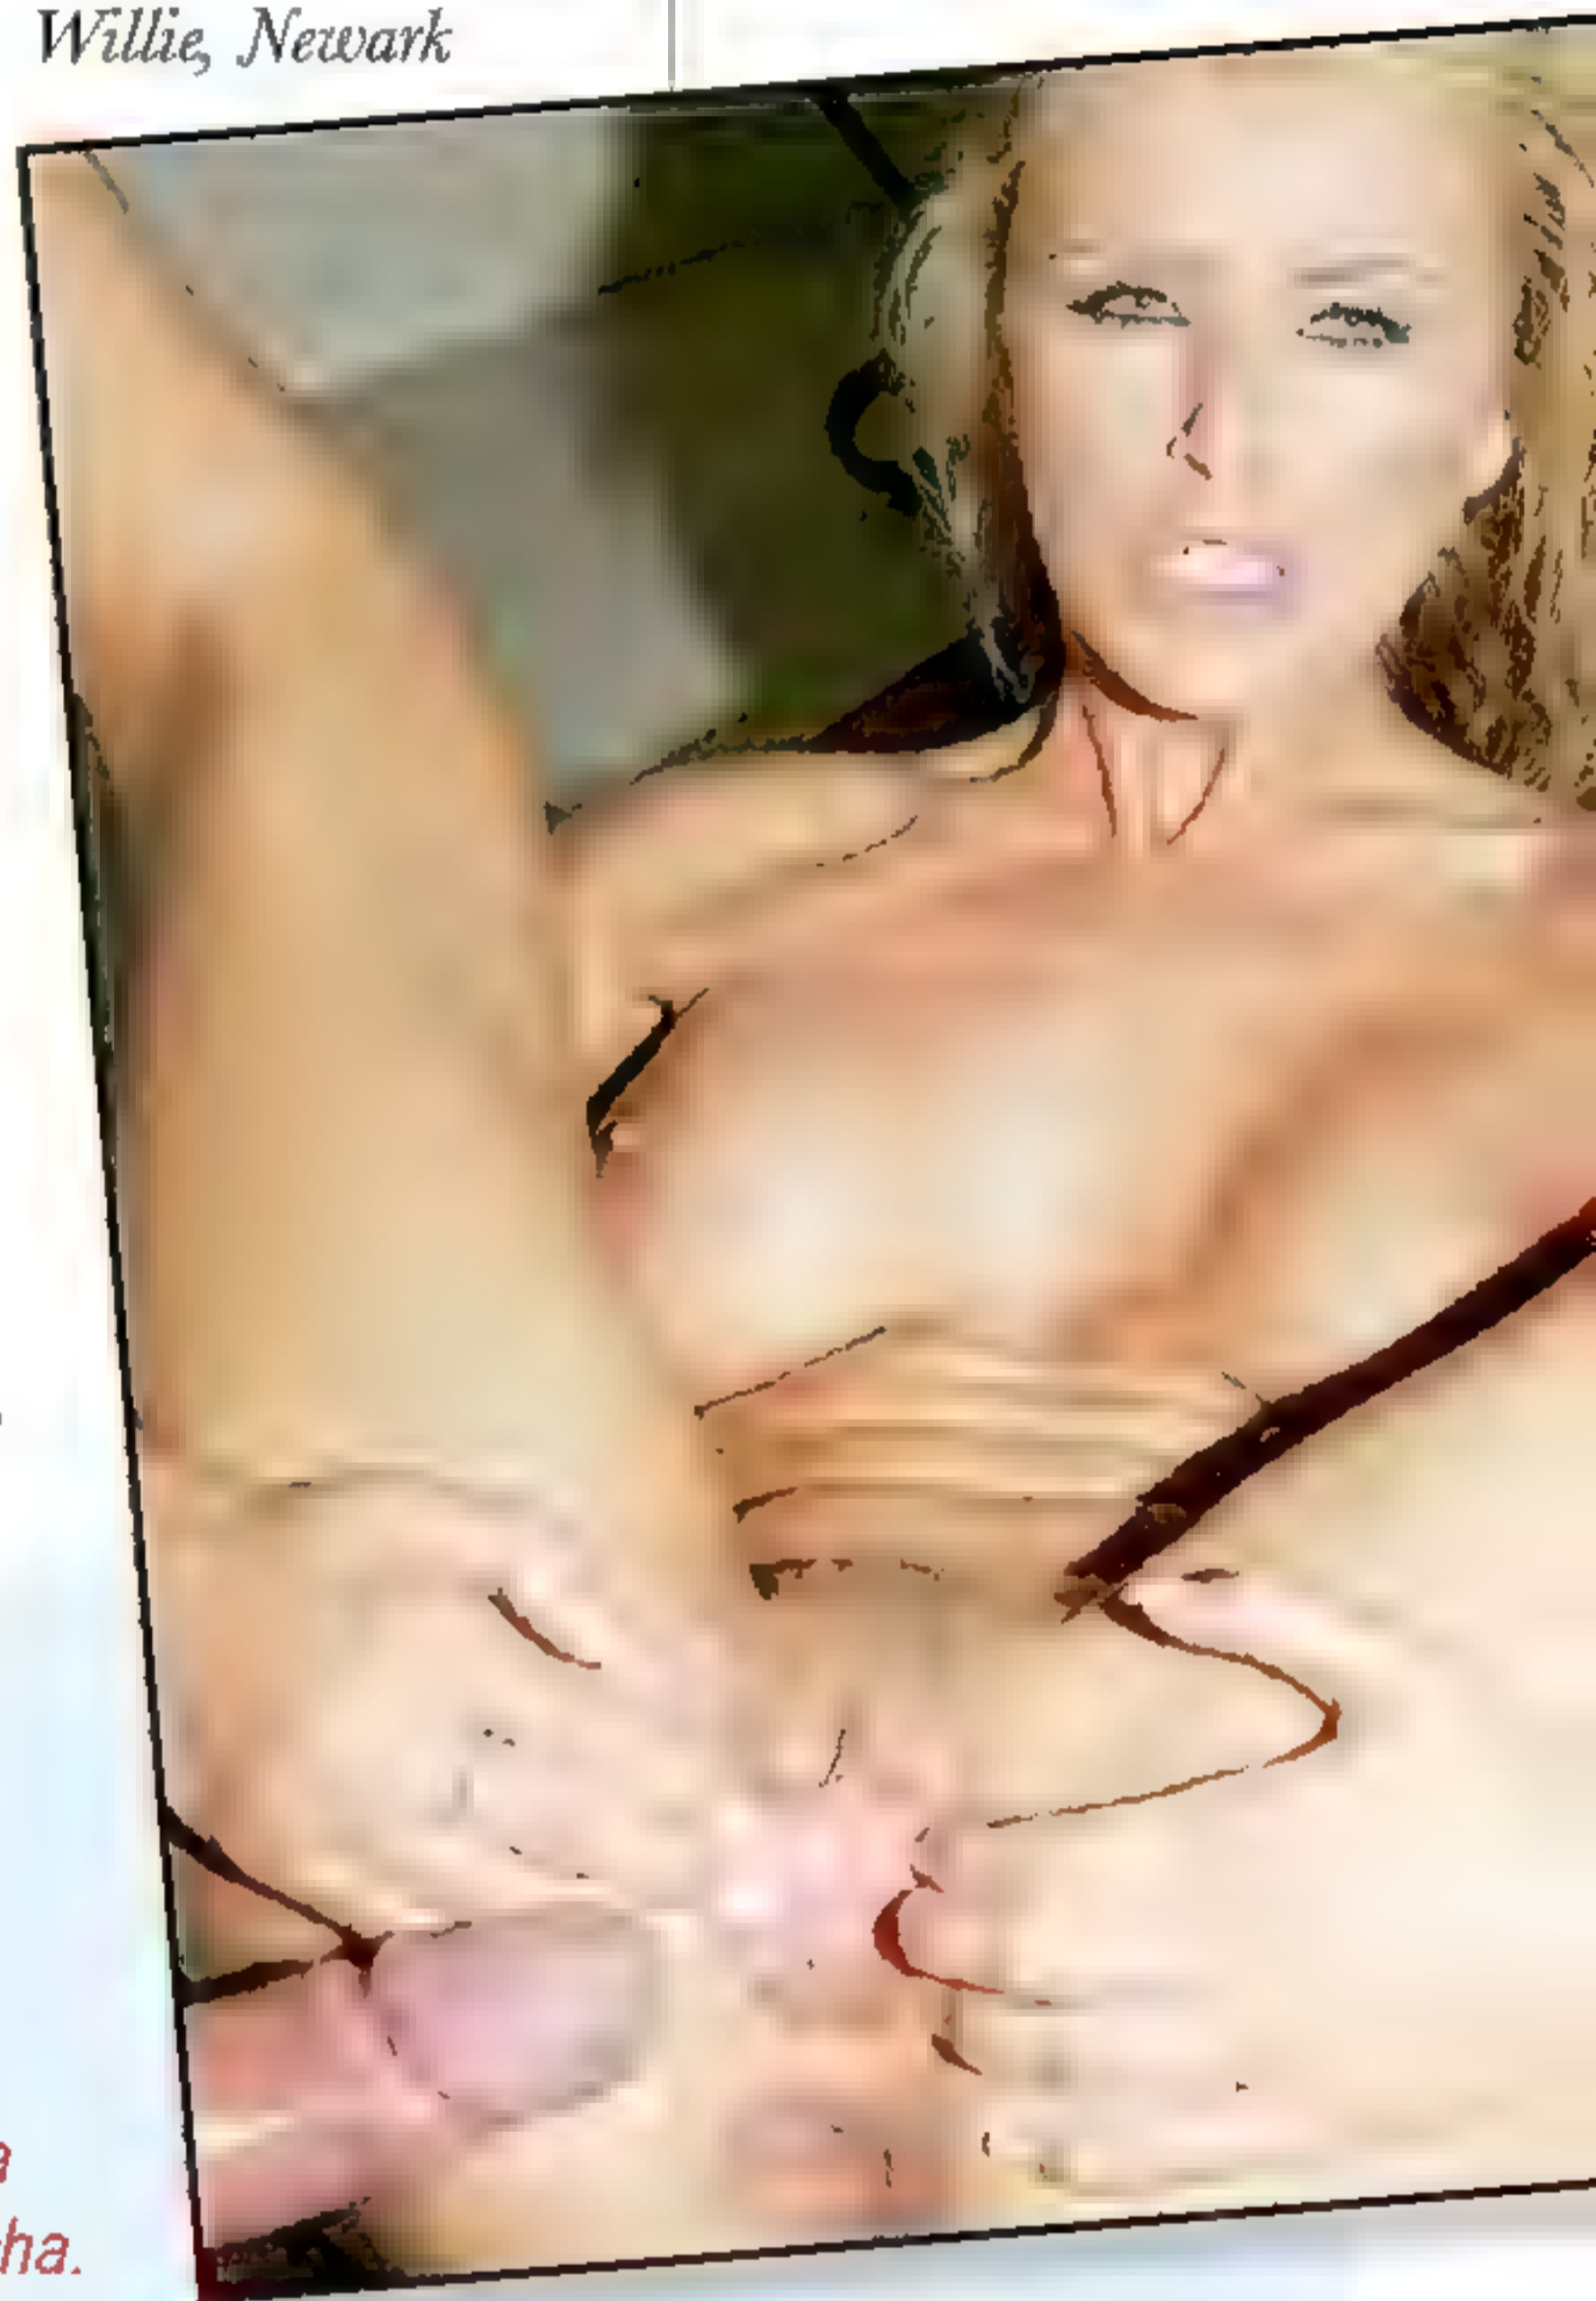

40+ #33

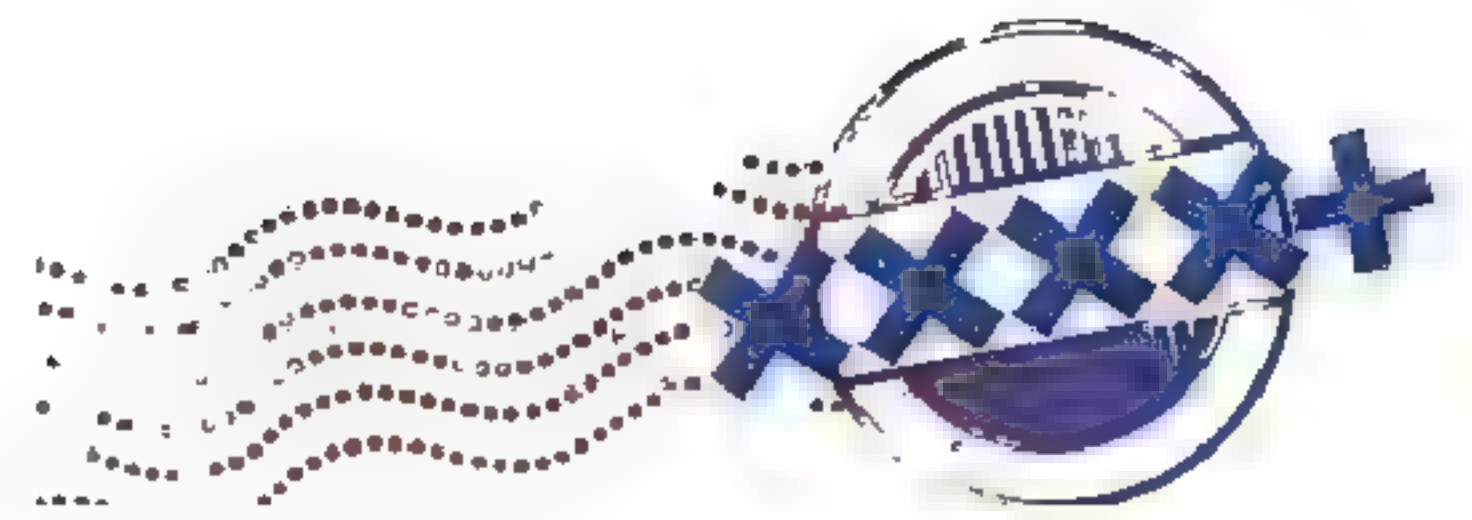

Dascha does it...

To the editor: Where did you ever find such a beautiful thing as Dascha. When I saw her photos, I was mesmerized. What beautiful eyes she has, what a beautiful face and body. Everything about her was fine. Her hands and finger-nails were gorgeous. I wish it was my cock that they were holding. Her mouth and lips are so sexy and sensuous that I do not know if I have seen finer. And of course I cannot leave out those perfect breasts and butt.

But I do have one minor complaint. She is beautiful that I wanted to see more pictures of just her so I can fantasize about her. I hope you will do a pictorial on just her. No guys. I want to adore her without the male distraction. That would have been a perfect ending to a perfect girl. Thank you for sharing her with me and the rest of the world.

Anson, Dallas

Thank you for running a pictorial with the two black women. They are a nice change and these two are just beautiful. In addition to the pussy licking, I also liked the toys they used on each other. Hot. Please include more such ladies in your pages. — Al

If you have something interesting to share, then go write ahead. Send your letters to the Editor, Blair Publishing, Inc., 9030 W. Sahara Ave. # 422, Las Vegas, NV 89117. that hid her body, but underneath you knew she was probably smoking hot. This girl is now a woman. And this time, she's right here.

You just have to love a woman who has the balls to pierce her nipples and labia. That usually means she can take whatever you can dish out. Just be sure you have enough. "I like shy guys. They're the ones I hung out with in high school and when I worked at the airlines." But you get one alone and that shyness evaporates. They're the first ones to go down on you.

"Now it's almost thirty years after high school and my sexuality has matured too. I still like shy guys, but that doesn't last too long around me. I'm the aggressor. It doesn't take me long to get them naked and their cock into my mouth. I usually pull off my own pants and shove my pussy into their faces. After a moment they are deep into it, shoving their tongues into it as deep as they can."

"I specially like it when they pull on my hardware. It adds that extra tingle. That's why I did it. It really feels good when I'm

the one tugging on them. The added sensation makes me come quicker."

Now I'm with that woman and it's the best sex I've ever had. Seems like she's always hot, because I always am; and we always find time to satisfy our sexual desires.

So, I thought I'd drop you a line to let your readers know that sometimes you can judge a book by her coverings.

Terrance G., Oakland

Editor, please print my letter:

Now that I'm older, I want to get right to it. Take blowjobs for example, I wasn't very good at them in my younger years, I tried to do what I thought was right and what the guy liked. Once in a while they would tell me but I was hesitant and it showed in my giving head. Now, I go right for it. I don't think about it. I know exactly what to do, plus I have some tricks that will work on every man.

I don't want to give my secrets away, but some involve their balls. I think they are the most under-appreciated sex organs for guys. They are so cute when the guy gets hard and they hide up under the cock. My tongue goes right up there to get them. I wrap my mouth around both of them and gently pull them down. Sometimes I do it kinda roughly, but no guy has screamed in pain yet. Only pleasure. When it comes to cock sucking, I don't want to waste time, because I know men don't want you to they want you to get right at it. Get right to sucking cock and leave the rest for later. Cock sucking is what men are all about. And I'm all about men. Hope you liked it.

Shellie, Columbus, Ohio

A full-page photograph of a blonde woman with long hair, wearing a white strapless tube top. She is looking directly at the camera with a playful expression, sticking her tongue out. Her hands are positioned over her chest, with fingers spread. She is wearing a ring on her left ring finger. The background is a textured, light-colored wall.

MIA & BEN

When the editor told me I was going to be this month's cover girl, my panties got wet. I think that was great compliment and an even bigger turn on. For those of you who have never watched yourself having sex, try it sometime. Do it in front of the mirror, video yourself, take a few pictures. It's a mind altering experience!

I remember the first time I saw myself
naked in pictures, they weren't very well
done and I had a terrible self-image of
myself. Then I had some done by a pro-
fessional, and I liked them, and myself
much better. Now, even though I'm more
aware of my body, I've done enough that
I know I look good. And that makes me
feel good, and that makes me fuck good.
Check me out in my video scene.

BELLA BLONZE

40+: You have a slight accent. Is it German?

Bella: Yes it is. I was born in Munich, but now live in the states.

40+: And you're living in L. A. now?

Bella: Yes, about sixteen years now.

40+: Why Los Angeles?

Bella: Well, I got married and he was from here so I moved here. I now really like it here. And my work is here, too.

40+: Does he know that you're posing for these pictures and video? **Bella:** Oh, he loves it and is very supportive. As a matter of fact, that's how we met. He was catering a shoot and I had his lasagna at lunch and it was just so delicious we started talking about it.

40+: That's interesting... So you married the caterer.

Bella: Not that fast. I didn't see him for a few years and then at a house in Malibu he was there to cater the shoot; and had his wife at the time with him. I saw him again at our lunch break and we started talking again and hit it off. I think his wife sensed I was interested in more than lunch with him, so I cut it off and went back to work. As the day ended, I wanted to tell him how much I like his food again, and so when they were packing up, I went over to compliment him and he gave me his number. I thought that was a bit inappropriate since he was married, but I kept it anyway.

40+: You must have called because you're together now.

Bella: Yes, but it took a while. I was starting to hate L.A. and feeling homesick for Munich. On a lark, I called him one night, just to talk and take my mind off things and he answered. He said he and his wife had split up because she met someone on a photo shoot and split with him. We both laughed because here I was calling him.

40+: How soon after that call did you two hook up?

Bella: We got together for a dinner date on Melrose Ave. that weekend. It was in a small Italian restaurant. Very romantic. He brought me flowers and a girl just loves flowers. After dinner, and a few bottles of chardonnay, we kinda stumbled to his apartment. I crashed on the bed and he slept on the sofa that

night. I woke up with a headache, and he was so sweet fixing me a great cup of coffee. We talked even more over a great breakfast he made and then I just started kissing him. First to thank him, but it became more intimate and hotter.

40+: Care to elaborate?

Bella: I guess so. Well, that evening he took off my dress but left my bra and panties on as he put me to bed. In the morning he had laid a robe by the side of the bed and I put it on before going out to the kitchen. Over breakfast, I felt my robe kinda slip open a little but I did not even bother to close it. I knew I had my bra on. After we kissed for a while, I felt his hand slip down and undo the belt of the robe and pull it off my shoulders. He kissed my shoulders and neck and that started to drive me wild. He was only wearing his pajama bottoms. Almost without thinking, my hand slipped down his pjs and grabbed his cock. It was not that hard, but when my hand touched it, he groaned and it shot up like a rocket. I don't think I ever saw, or felt, a man get as hard as quickly as he did. By now he was undoing my bra in the back and my boobs fell out and into his hands.

(Bella pauses because she's said too much.)

40+: Don't be shy; our readers would love to hear more.

Bella: Okay, I'll go on, but I have to leave out some of the more intimate details.

40+: That's fine. Whatever you're comfortable with.

Bella: Well, he started kissing my breasts. I love to have my breasts kissed. They are so sensitive and my nipples get really hard. But his dick was even harder. I made him stand up and went down on his knees and started to kiss his cock. I moved my head back and forth on his cock, sucking in rhythm to the background music, and he exploded in my mouth. I was surprised because I didn't even feel it coming. He quickly apologized, but I looked up and said it was great. He smiled and pulled me to stand up. He took the dishes off the table and told me to take off my panties and sit on the table. I told him I hadn't showered and didn't feel right about it without being squeaky clean. He said let's take a shower then, and we raced each other to his bathroom. Gosh, I sound like a porn movie script.

40+: I may need a cold shower after this interview.

Bella: *(She laughs)* This is where I think I should stop and you should use your imagination. I'll just finish by saying that we took a nice long shower together and never left his apartment that day.

30+ MILF PRESENTS

Women are mysterious creatures and just
when you think you've got them figured out
— Wham, BAM —
they turn everything upside down.

I have been married to Crystal for six years and we don't have children but were hoping to within a couple years. She's 35 and I'm 45 and like any normal couple, we argue, we laugh, we talk, we have fun, we have trust... but apparently not as much as I thought?

Six months ago, a new opportunity from another company came my way, but it was in another state. After much discussion with Crystal I took it. At first it was okay, Crystal wasn't working but kept herself busy. After a while this got boring for her and we began arguing again. I'd come home tired and she had spent the day cooped up.

One day, without realizing it at all, the arguing stopped. However, Crystal seemed more than happy at home and I even took a mini-vacation just to be home with her and try to rekindle more of the fun we had been missing. But I also noticed there was more than fun that was missing. I had to find out.

The laptop computer was missing. Well, not really missing, just not where I normally keep it and many a time it would be warm, or when I went to use it for my work, I would see that the history had been erased completely. I asked Crystal if she had been using it, but she said she really didn't know how to use it.

Crystal had befriended by one of the neighbor ladies who asked her to out with her friends for some drinks. I encouraged her to go and make new friends and so that weekend, she joined the girls for a night out. Our neighbor was recently divorced so I thought it would be good to cheer her up. That Friday night I stayed in watching television and was still awake at midnight when I heard a noise outside the house. I looked out the window and saw a couple women get out of a taxi and went into the

neighbor's house; the only one missing was my wife. The next thing I know is being woken up at 3:00 am by Crystal coming through the door. I asked her where she'd been and she said she had just got a taxi back with the girls. I even asked again the next morning and sat in disbelief as she said how all three of them got a taxi back after club hopping. She did not know I had seen the other ladies exit the cab without her and

that they were home at least 3 hours before her. It did not feel very good to catch her in lies like that.

I now noticed Crystal had started carrying her cell-phone constantly, never letting it out of her sight and putting it down only when she had to. When she served dinner I'd see she put the phone down and I would have a minute alone with it when I knew she wouldn't catch me. Every night I would sneak a peek at her calls

Dazed and Confused

**I licked her all over while playing with her pussy.
I pressed a finger inside her moist, heavenly hot
flesh while I licked her asshole.**

and see what kind of messages she was getting. About a week after her night out with the girls, I sneaked a quick look and saw an incoming call from "DLdo." It was disconcerting.

Then, on Tuesday, Crystal got a call from her mom saying her sister was in the hospital with a broken leg and was coming home that day. She asked if Crystal would come for a while to help with the sister's kids. I said that would be a very nice thing to do as she probably can use the help since she's stuck in a wheelchair or on crutches for the time being. She packed her things and left the next morning. I took her to the airport and we hugged and kissed goodbye, wishing her a safe trip and to take good care of her sis.

We spoke on the phone a few times over the next couple days just to catch up and find out how her sister was progressing. On my way to work Friday morning I called Crystal and she answered but said she was at the mall so she couldn't talk but would call me back in a while. It was 8:45 am so she couldn't be shopping already so I phoned her sister's home. Sis answered and said Crystal was in the shower so she couldn't talk right now. Immediately I called Crystal again and she was really short with me saying she was at the cashier and that she'd call me back later.

The day she got back she was so loving to me. I had planned to confront her but she couldn't do enough for me – so I let her. I guess the look on my face was enough because she stood up and leaned on the kitchen counter with her ass facing me. I couldn't believe this was happening, but I sure as hell wasn't going to hurt her feelings by not taking the next step. Sometimes a guy just has to suck it up and do the right thing.

I lifted her skirt slowly to reveal a lacy thong. She knew I liked them but didn't own any. I began to think that

maybe she was shopping. I placed my open palms on her ass and rubbed her backside from top to bottom and then all around. I squeezed and even pinched her soft, smooth cheeks. I brought a hand down between her legs and fondled her pussy, feeling the moisture seeping through the thin material. I heard her take in a deep breath and slowly let it out; I think she was enjoying this as much as I was, perhaps even more.

What I really wanted to do was rip her panties off, but instead, I did it slowly. As I pulled, I placed my wet tongue just above the top of her panties, licking and kissing as I pulled them lower and lower. I ran my tongue down her crack from her spine almost to her tight little hole and I heard her groan. She smelled great too. She had never let me get this close to her ass before. What made her allow this. But not being one to complain, I continued with my exploration in hopes that it could continue even further.

It was time to shed the panties and get a full view of her

Juice just poured out of her pussy down her legs and onto the kitchen floor. This had to be one of the most intense orgasms I have ever seen Crystal have!

wonderfully sexy ass. I slid them down to the ground and she stepped out of them. I picked them up and put them to my nose taking in a big whiff. I believe my cock grew another inch!

My tongue made its way back to her ass and I licked her all over while playing with her pussy. I pressed a finger inside her moist, heavenly hot flesh while I licked her asshole. The juice was positively running out of her and she was swaying back and forth while moaning a deep growl.

It was time to release my cock; it wasn't fair leaving it

beginning to shake. I think she was very close to a climax so I kept going. Little by little, my finger slipped inside her and she was shaking more and more. First one knuckle and when I went to the second knuckle I heard a small scream. This was getting intense and I started stroking my cock. Now was the time! I buried the whole finger into her ass and she went off like fireworks. She put her arm across her mouth to stifle the scream and her whole body shook and went rigid. Juice just poured out of her pussy down her legs and onto the kitchen floor. This had to be one of the most intense orgasms I have ever seen Crystal have!

I slowly pulled my finger out of her and she seemed to relax a little as her climax subsided. Her legs folded under her so I grabbed her by the waist and sat her down on a chair as she collapsed onto my lap. I pulled her dress back up and gently rubbed my hand all over her ass and pussy, enjoying the moment and the feel of her.

Slowly she began to stir. She looked up at me with a contented smile.

"I have never experienced an orgasm like that in my life, babe. I know I've been a little standoffish lately, so I wanted to do something special for you – and it turned out good for me, too. I never thought I was going to do it, but I had been practicing with small dildos and anal probes to get used to it with you." she said.

all cooped up inside a pair of pants. She must have seen me do this because she let out a loud moan. I buried my tongue into her ass as far as it would go but she was extremely tight. I wondered if she was an anal virgin.

Crystal was very tight and refused to relax her muscles. Was my initiative too strong? But she was the one that started all this with her backside. I thought, if a tongue can't get in there, maybe a finger can. I scooped up a large handful of her pussy juice and rubbed it into her asshole, figuring that the more lube the better. I started rubbing my finger around her hole slowly, pressing more and more while playing with her pussy and clit. She was groaning louder and louder and her legs were

"Well, it was just as enjoyable for me as it was for you. I was thinking all sorts of bad things, but now that you told me, I can go on thinking all sorts of other bad things. You won't mind, will you?" I said back to her.

She sat up and gave me a big hug and a wet, open-mouthed kiss that made me hard again. She must have felt me pressing against her because she said, "No I won't mind, but now it's your turn to get off?"

She turns in her chair, unzips my pants and pulls out my throbbing cock. She looks up at me with big doe eyes and opens her mouth wide, flashing perfect teeth, and she pulls me into the big, wide beautiful hole!

ARCADIA & TREVOR

I've been in the adult industry for a while now and it's changed quite a bit. Oh, the sex hasn't really changed, but the faces and attitudes really have. One of the things lacking is the enthusiasm of the old days. Today, many of the starlets are so jaded that they are just there to collect a paycheck. I'm there because I like to fuck and always have. I think it shows in my pictures and videos.

A close-up photograph of a woman with dark hair lying down, her head tilted back and mouth open. A hand is holding a silver vibrator, with the tip resting on her upper lip. The background is dark and out of focus.

Having sex with each person is
different. It's kinda like having
spaghetti at ten different Italian
restaurants and none of them
taste the same. But no matter
who I'm fucking, they're getting
my full undivided attention.

NASTY HOUSEWIVES PRESENTS

SADI & RICK

There wasn't much going on in Iowa and I wanted to be where the action was. I spent more than thirty years there. There wasn't much to do so we had a lot of sex. Those corn-fed boys really are horny. But I got the travel bug after my divorce and found myself in LA. I love it here and I love having sex here, and everywhere.

A close-up photograph of a woman with dark hair, wearing dark-rimmed sunglasses. She has a wide, joyful smile, showing her teeth. Her head is tilted back slightly. In the upper right corner, a hand is visible, with fingers spread, as if gesturing or framing the scene. The background is dark and out of focus.

Here in LA, I need to vary my
look to stay busy. Sometimes
I'm blonde, sometimes brunette,
sometimes with glasses and
sometimes with pony tails since
I don't look my age. No matter
what, though, I love to fuck and
I love to suck. Check me out on-
line. My ass gets fucked hard!
